COURSE OUTLINE

Young Enterprise is a high profile experiential business programme developed by Enterprise New Zealand Trust and run in secondary schools, mainly as Years 12 and 13. Students become a director in their own company forming a business around an area of interest. They are assisted by a business mentor and work through the processes of forming, planning and marketing their ideas in the real business world. This course is a great opportunity to realize uniqueness, develop strengths, work together in a team situation and possibly make money at the same time. Like any other team event, Young Enterprise is about working towards goals and taking all the steps necessary to achieve them.

ASSESSMENT

Young Enterprise Certificate, NCEA Level 3 - 24 credit equivalent

All fully registered Young Enterprise teams have the opportunity to enter for the regional, and the national awards. These are based on three components: business planning presentations (30%), annual reports (40%) and the co-ordinators' mark (30%).

Young Enterprise Company Directors are eligible to sit the Young Enterprise Examination, an examination that is administered by Auckland University of Technology and held under the auspices of the University of Cambridge International Examinations.
