NOTEThese option choices can be adjusted at conferencing next term if needed***NOTE***

General Options

You need to choose **TWO** option subjects (each is taught for three periods per week). These options run for a full year. Students taking a language in Year 10 must have taken that in Year 9. Students may only study one foreign language. Students must also select **ONE** back-up option.

Option Choices can be made from:

French (currently at TGHS)	Maori
German (currently at TGHS)	Art
Agriculture/Outdoor Education (½ and ½)	Economics
Drama	Music

Technology Options

The technology options run for half a year. Students select **TWO** options from the list below. These courses are designed as good preparation for Year 11.

Students must select **TWO** technology options and **ONE** as a back-up.

Technology Option choices can be made from:

Food Technology	Graphics (Design and Visual Communications)
Technology Construction – Wood	Technology Mechanical – Metal
Digital Technology
